

Heriose Le Classique 70 cl

Frankrike / Cognac

Maison Boinaud er en familiedrevet bedrift og cognac-produsent som har vært i drift siden 1640. Med sine nær 600 hektar tilegnet gjennom 24 generasjoner i Grande Champagne er Maison Boinaud den største familieeide druedyrkende eiendommen i dette området.

Maison Boinaud produserer i dag under varemerkene De Luze, Naulin og flaggskipet J. Dupont.

Hériorse is an authentic Single Malt Whisky with a bold and uninhibited spirit. Hériorse is a clever mix between the know-how of Maison Boinaud, its expertise in aging and its taste for innovation. It is based on quality ingredients, such as French barley or water, drawn under the ownership of Maison Boinaud in Angeac Champagne, in the heart of the vineyards of south-west France.

The double distillation in stills, the careful selection of barrels as well as the expertise of aging and blending give this whisky its unique identity.

Hériorse shakes up customs, it is even the origin of its name. One word, two challenges: claiming your heritage and daring to reinvent it.

Square base, rounded shoulders, the Hériorse bottle has character. We dare to mix two styles, two eras, to reinvent the classics of French glassware.
